

Case studies and references

As market leader in bondtesting, XYZTEC has produced lots of success stories since the company Danfoss incorporated in 2000. Some customers gave us permission to publish a case study:

- Fully automated wafer testing
- Heraeus rates XYZTEC as excellent supplier
- Large heater stage on Condor Sigma W12

"Exceeded expectations"

"The XYZTEC experts were very responsive throughout the project and exceeded all our expectations. A huge difference with our previous supplier!"

"Reliable partner"

"Danfoss Silicon Power has a 24/7 production line. A reliable partner is important to guarantee 24/7 operation. With XYZTEC Danfoss has found this partner", says Dr.-Ing. Frank Osterwald, Senior Director for Research and Development, Danfoss Silicon Power.

"Minimal training time"

"Training time for new employees to learn to work with the XYZTEC bondtester is minimal"
