

Condor Sigma at Dutch Technology Week 2012

2 June 2012

The Eindhoven Brainport Region is presenting the best, the most exciting and the most innovative technology stories during the first **Dutch Technology Week** (DTW). XYZTEC's supplier **KMWE** is exhibiting, showing the **Condor Sigma**.

As 'Most Intelligent Community' of the world, Eindhoven Brainport has realised many top achievements in the high tech industry. We are naturally very proud of this! Companies, government authorities and knowledge institutes are all working together to organise a week full of technological surprises, to allow us to share this proud feeling. Anyone attending the DTW can see, feel and experience how enjoyable and challenging it is to work on inventions which change the world.

Visit KMWE at the Brainport Industries site at the Conference Centrum the Strip (Strip 6) at the High Tech Campus Eindhoven, The Netherlands.
