

Smart LED and Solar panels for XYZTEC head office

20 April 2018

LED Panels with Chess WISE MyriaMesh Building Light Control

The XYZTEC head office in Panningen was recently upgraded with new energy efficient LED panels with **Chess WISE MyriaMesh Building Light Control**. The wireless system ensures the light is only turned on when needed, for additional energy savings. Also, new lighting options are enabled such as dimming based on the available daylight and scenes for the meeting room. The panels were delivered and installed by **ALL Lighting**.
