

Teaming up with Micronnect B.V. and BRIDGE S.r.l.

5 July 2019

Technology leader XYZTEC keeps expanding by adding two new **European distributors** to the team. XYZTEC would like to welcome **Micronnect B.V.**, which will serve The Netherlands and Belgium, and **BRIDGE S.r.l.** a new contact for Italy and Malta. Both companies are already experienced with bond testing and enthusiastic to be part of the XYZTEC team.

Micronnect B.V. is the “One Stop Shop” company to European users and serves 150 organizations in 21 countries for bonding products (equipment, tools and materials) and services (maintenance, training and process optimization).

BRIDGE S.r.l. Philosophy is to connect (bridge) bonding equipment among which XYZTEC’s bond testers with the Italian customers. More than 25 years of experience in Electronics, Semiconductors and Automations, allow BRIDGE to provide valuable support to the customers.

Micronnect and BRIDGE are both great additions to XYZTEC’s international sales and distribution network. After an intensive sales- and service training last week at the XYZTEC HQ in Panningen, they are completely ready to represent XYZTEC in Europe.
