

3H Corporation new distributor in Korea

20 February 2013

XYZTEC has formed a new partnership with 3H Corporation to distribute the successful Condor Sigma product in the Republic of Korea. 3H Corp, seated in Sunnam-si, Gyeonggi-do, currently employs 11 people in 3 locations across Korea and uses the company slogan 'to infinity and beyond'. The main industries for 3H are Semiconductor, Electronics, Solar, LED, Camera module, Fiber Optic, Opto-Electronics and RF.

3H Corp, like XYZTEC, believes service and support and honest business manner to be of the highest importance and strives to 100% customer satisfaction. Through close and continuous communication and high technical knowledge, 3H stays ahead of the market.

Among 3H's other principles are various suppliers of manual and semi-automatic wire and die bonders, as well as suppliers of manufacturing- and inspection-equipment.

XYZTEC will also continue its cooperation with its other distributor in the Republic of Korea, **KAMI**. **KAMI** will focus on the sales of the Condor Classic and high force solutions.
