- Greater China
- Japan
- Asia / Pacific

XYZTEC distributors, 2014

Worldwide customer service

XYZTEC is market leader in **Europe** and **Taiwan** and growing rapidly in other territories around the world, including the **United States of America**. One of the keys to this success is that we have organized our service and support both locally and internationally via our own organization and our partners. Spare parts are available locally, to ensure that we can solve problems quickly.
